I enclose two petitions, dated 20th December 1932--one from B. Raghavendra Baliga and the other from Mr. K. Ragunath Bhat, both teachers of the Kanara High School, Mangalore, claiming certain T.A. for journeys said to have been performed by them at the time of the last Census

2. The petitioners worked as Supervisors during the last Census, the former in Circle No. 13 of Charge 2 and the latter in Circle No. 11 of Charge 8. In February 1932, i.e. about a year after the Census Operations were closed, both of them approached the Collec-

3/ --/--

tor with complaints of non-payment of T.A. for the journeys performed by them. On enquiry it was found that their T.A. bills had not been received by the Tahsildar. When asked to state whether they had any acknowledgment for the bills alleged to have been given, they gave certain replies, which were not convincing. They were therefore informed that the Collector could not do anything in the matter at that late stage.

3. Subsequently, they sent suit notices to the Tahsildar who referred the matter to me. He also reported that prior to the submission of the suit notices, the petitioners did not send any petition to him or make any inquiry in his office regarding their alleged bills. I thereupon informed them that in the absence of any claim, obviously the Government could not be sued for not having paid the claim. Hence the present claims, which I enclose for orders of Government. It may be possible to verify what happened to the petitioners' alleged bills submitted to the Superintendent of Camel Operations, Mairs.

Your most obedient servant,

Collector.

Ref: Your D.Dis.1377-32 d/26-11-32.

I had presented my T. A. Bill which was counter-signed by the Head Master of my school to the Head Accountant of the Taluk Office of Mangalore on behalf of the Tahsildar. I was not aware that an acknowledgment for the bill presented in person ought to have been obtained from the Head Accountant. On the very day I presented the Bill several other persons had presented petitions to the same authority and none of them demanded acknowledgments from him for their petitions. I reliably understand that -- there is neither any rule nor convention to secure acknowledgments from Officers for Bills etc. presented to them. Hence the mere fact that I did not arm myself with an acknowledgment may not be taken as as a ground for denying me my rightful dues. If the Head Master of my school is examined he will testify to his having countersigned my T.A.Bill

2. On 21-11-31 I submitted a petition to the

5/a

Superintendent of Census operations Madras by registered post complaining of non-payment of T.A. My letter was duly acknowledged but no orders on it were received by me. If he had condescended to give an order saying that the Bill was not received in his office I could have presented a second bill. His reticence towards me naturally led me to believe that my bill was in his safe custody. Besides, I as well as other Supervisors received from him a general circular explaining the causes in the delay of the payment of our dues due to the absence of a sufficient staff to cope with the growing number of Bills.

3 Finding that other Supervisors were receiving their dues while I did not, I brought the matter to the notice of the Collector who, in his B3-1818-32 d/28-2-32 and L.Dis. 1818-32 d/2-4-32, informed me that my T.A.Bill was not received in the Office of the Tahsildar.

4 Thinking that the presentation of a 2nd Bill would mend matters I presented it to the Tahsildar of Mangalore on 11-4-32 and I was fed with hopes by the clerk concerned that I would get the payment as the Bill was under correspondence between the Taluk Office and the Superintendent of Census Operations Madras. The 2nd Bill was also countersigned by the Head Master.

5 It is a great hardship for a poor teacher like me to ignore a T.A. which is fairly larger

than my pay itself Hence I had taken the precaution to present the Bill in time. I beg to submit another Bill herewith and request to treat it as a claim which is not time-barred.

I beg to remain,

Sir,

Sir,

Ref: Your D.Dis.9377-32 d/26-11-1932.

There were neither orders nor instructions to the effect that the T.A.Bill of a Census Supervisor should be presented to a Revenue Officer As the Charge Superintendent was the immediate -- superior to a Census Supervisor, it is but natural that the latter should give his T.A. Bill to the - former. I for one, had given my Bill to my Charge Superintendent, the Sub Deputy Registrar of Co-operative societies, Mangalore. In his endorsement ---- X. N. Dis. dated 3-5-1932 on my application, he has given me to understand that my Bill was duly forwarded to the Tahsildar of Mangalore Taluk on 25-4-31 and that the cover containing the Bill had been duly acknowledged by the Taluk Office.

2. I am a poor teacher getting a salary of Rs.44/8/- The T.A. due to me is fairly larger than my salary itself. Such being the case, I can never afford to loose it. Hence I had taken scrupulous good care to present my Bill for it. As I did not

receive payment till 21-11-32, I brought the matter to the notice of the Superintendent of Census Operations, Madras and also the Tahsildar of Mangalore by a letter. But unfortunately I was not favoured with any orders on it. Anyhow, I was receiving from the Superintendent of Census Operations -Madras, general Circulars informing me that there might be delay in the payment of the Bills because of only one clerk in his staff to cope with the heavy number of bills. But on other supervisors receiving their T.A.amounts while I did not, I brought this matter to the notice of the Collector who in his B3-1818-32 dated 28-2-32 and L.Dis 1818-32 d/2-4-32 informed me that my T.A. Bill was not received by the Tahsildar at all.

3. Thinking that the presentation of a 2nd Bill would mend matters, I presented it to the Tahsildar, Mangalore on 11-4-32 and on enquiries with the clerk concerned I was made to believe that the Bill was under correspondence between the Tahsildar and the Census Superintendent, Madras.

4. Meanwhile, I made an application to the Sub Deputy Registrar of Co-operative societies, - Mangalore asking him whether the Bill presented to him on 25-4-31 was forwarded to the Tahsildar of Mangalore or not. He returned my application with an endorsement thereon as mentioned in para 1 supra (a true copy of the endorsement etc. enld.). Finding that no orders were received till 13-8-32 I was driven to the necessity of sending the suit notice in question.

5. From your endorsement under reference, I am led to infer that the payment of the T.A. cannot be made without a claim. As under the law a claim is not barred by limitation for 3 years from the date from which it arose, I am still entitled to present my claim even now. I therfore present another Bill herewith and pray that you may be kindly pleased to order its payment.

6. I beg to add that the Bill presented by me to the Sub Deputy Registrar of Co-operative Societies and again to the Tahsildar on 11-4-32 has been countersigned by the Head Master of my School. I submit this in proof of the fact that I did not fail to submit my bil on which ground the payment of the T.A. is sought to be denied.

I beg to remain,

Sir,

Your most obedient servant,

Sir,

I submitted my T.A.Bill as a Census supervisor of circle No.11 on 25-4-'31 to M.R.Ry. A. Venugopal Rao Avl., the then Sub Deputy Registrar of Co-op. Societies Mangalore, who was my charge Superintendent. I was personally informed by him that the Bill was duly forwarded to the Tahsildar of Mangalore taluk on 25-4-31 But, strange to say, the bill has not yet been received by me, after being duly passed for payment.

therefore request to be informed at a very early dated whether the bill was actually sent to the Tahsildar of Mangalore or not./The above information is required to address the collector in the matter.

Madras.

Sir,

A reference to the "Local Delivery Book" of the office of the Deputy Registrar of Co-operative Societies, has now disclosed the fact that the T.A. bill of K. Raghunath Phat was actually delivered at the Mangalore Taluk Office on 25.4.31. As regards the receipt of the T.A. bill of the other claimant B. Raghavendra Ballya, there is no direct evidence. But I do not think that the absence of documentary evidence should be construed as a bar against the claim. Both of the claimants seem to have a genuine grievance and I accordingly recommend that their present claims, which are supported by fresh

cills, be admitted in whole or in part. [illegible] tion however as to the principles on which [illegible] were passed in the Census Department. It is known to [illegible] were pruned down severely.

Lacunes: 1931- Travelling Allowance to two School Masters - Kanara High School - Mangalore

MCP 2401 From the Board of Revenue. Lr.No.E-312-32 dt 23-1-33

MCP The Board of Revenue has submitted to Govt
M2-3 CP for consideration a report from the Collector of South Kanara relating to T.A. claims put forward by two School masters of the Kanara High School, Mangalore in connection with journeys performed by them during the last Census as supervisors

M4 to CP 2. Mr Raghavendra Baliga, one of the two School masters under reference has no acknowledgement for presenting the Travelling Allowance bill to the Dhasildar.

para 3 at p 5 CP He says that after presenting the bill he waited for some time and then sent a petition on the 21-11-1931 to the Supt. of Census, Madras, by registered post. He presented

para 4 at p 6 CP a second bill on the 11.4.32 to the Dhasildar. The claim

M7-8 CP is for Rs. 55-5-0 and the claim also seems to have been sent

first sentence of para 3 at p 3 CP in duplicate. There seems to have been some correspondence between him & the Collector in the matter. The

D.O. 9377/32 & Lr. No. 1-9/32 Collector relies on the weakness in the teacher's claim

A at p 3 CP viz; that he has not obtained any acknowledgement for presenting the bill. The Collector further says that the

para 2 at p 3 CP ~~receipt of~~ the two bills were not received in the Taluk Office by

(~~not put up~~) (B) No. 2528 Law (Genl) of 2-7-32, the Govt authorities Supt.

of Cannin operations, Mysore to reject all T. A. bills prepared and presented for the first time after 30.6.31. The Census office at Madras closed in June 1932. There is no information as to whether the rejected bills and all other papers relating to T. A. bills have been destroyed or not. Before the Census Supdt is asked to verify as to what happened to the petition alleged to have been sent to him, as suggested by the Collector, the Coll. of ~~South Kanara~~ may be asked to make further enquiries in the ~~matter~~ allegations made by the teacher and forward the entire correspondence with the teacher.

3 The case of Raghunatha Bhat, the other teacher, is similar but he has not mentioned in record to show that his travelling allowance bill had been received in the Taluk office on the 25.4.31. The Collector's letter is also significantly silent on this. In this case also, the Collector may be asked to make further enquiries with special reference to the last paragraph and forward the entire correspondence with the teacher

S Case 21/2/33.

Issued as memo no 340A-1 dt 23.2.33 to the Collector of South Kanara - pp 15 CP
from the Collector of South Kanara. Ref no A.3-1065-33 dt 24.3.33. — pp 17-18 CP

The Collector of South Kanara admits that the T. A. Bill of teacher K. Raghunatha Bhat was actually delivered at the Mangalore Taluk office on 25.4.31. ~~He has not checked whether any steps have been taken further prosecution of the T.A. bill to find out the circumstances under which it was taken~~ to trace them

As regards the receipt of the T. A. Bill of the other teacher, B. Raghavendra Baliga there is no direct evidence / The Collector suggests that the absence

f 17 CF — of documentary evidence should not be construed as a bar against the claim now Conceded that the teachers have a

ibid — genuine grievance and recommends that their present claims which are supported by focal bills may be admitted in whole or part

(B) — 2/ Lr Memo 2528 Law(Genl) dt 2.7.32 the Govt authorities in Supdt of Census operations Madras to reject all T.A bills prepared and presented for the first time after 30.6. The T.A. bills of the teachers are stated to have been presented in the Taluk office long before that date About one of the bills Viz that of Raghunatha Bhat, there is direct

f 12 CF + Affdt 7 CF — evidence that it was received on 25.-4.31 the Taluk office. The other would also have probably been received. Both the teachers are employed in the same school. They have had to wait for nearly two years and seem to have been put to Considerable ~~hardship spent out of pockets~~ ...

It is understood that the T.A bills now presented Cannot be accepted & rightly as they have not been Countersigned by

the Charge Superintendents Concerned. In the special circumstances of the case the amounts claimed may be sanctioned as honoraria for work done within D.P.I. following the precedent in G.O. No. 912 Law (Genl) dt 14.3.1933. (1)

3 As regards the reasonableness of the claim attention is solicited to the Collector's remarks on p 18 C. It has been ascertained that the number* of days spent on touring by the two teachers are not excessive ~~in the circumstances above~~ & that the D.A. of Rs. 0-15-0. per day is also reasonable. In the circumstances the claims of the two teachers may be admitted in full and paid as honoraria as noted above.

4 The local Govt can sanction the honoraria - Vide G.O. No. 4411 Law (Genl) dt 20.10.30. There (2) is no provision in the sub-head - B - Enumeration B.2 - Allowances - Honoraria etc. in 37 - Miscellaneous Depts - Census - Madras The amount required can be reappropriated from the ~~Main~~ Sub-head - D - Miscellaneous in 37 miscellaneous Depts - Census - Madras staff where a provision of Rs 3000/- has been made. The local Govt is competent to sanction the reappropriation - Vide G.O. No. 3375 Law (Genl) dated 12.8.1930 (3).
